Bow or Bay Windows

Sentry's innovative bow and bay window styles offer a number of features and benefits unrivalled in today's marketplace and are available in a range of options. A great way to bring more light into your home, a bow or bay window style utilises either a standard casement or flush sash window to form a collection of windows set together at an angle.

By choosing different styles, colours, glazing designs and handles, your bay or bow windows can be truly personalised for your home. Sentry's innovative design of the interior and exterior joint couplings prevents dust traps forming, making cleaning with a damp cloth quick and easy.

Size Limitations

The maximum sizes stated below (mm) are based on 28mm 4-20-4 standard double glazed units within frames manufactured to the reinforcement guidelines.

CASEMENT TOP HUNG - {SASH SIZE}:
1265 w x 1342 h

CASEMENT SIDE HUNG - {SASH SIZE}:
715 w x 1342 h

Whilst we have the ability to manufacture outside these recommendation, please note we do so when asked but disclaim these on performance, therefore any sizes outside the maximum recommendations are excluded from the mechanical warranty.
